Did Beth take the girl?

John & Nat called Fri. night to see how things are & I told them I thought the shingles are improving. I am rubbing alcohol on them & giving her aspirin but her left shoulder is painful.

Did you get a thank you from Melinda? It was nice of Pat & I am glad Dwight is improving.

I had a letter from Robt. D. thanking me for all the SAR names.

You are surely being kept busy. I hope they will fix the top step and if they do I hope they fix the walk in front of it so the water doesn't wash it out again. Grounds more promising since the grass is coming down & it will be a big help when it is all finished out front. How did Son make out about the sever?

I hope Harry is feeling better but no doubt the hot weather was tough on him. You better be careful not to get in the heat.

Bertha is still having trouble as she is having pain in her legs & the doctor told her if she isn't better by Mon. she should come out & he will give her a shot for it.
